

3rd March 2025

We are delighted to welcome you to Tor Bridge High! As you prepare to join us in September 2025, we want to assure you that you are about to begin an exciting new chapter filled with opportunities, friendships, and discovery.

At Tor Bridge High, we believe in the power of courage, love, and ambition, and we encourage every student to live by these values. Starting at a new school can feel both exciting and a little daunting but remember - you won't be alone and we are here to support you.

Courage is about stepping forward with confidence, embracing challenges and believing in yourself. Whether it's trying a new subject, joining a club, or making new friends, be brave and give it your best.

Love is at the heart of our school community. We look out for each other, show kindness, and respect one another's differences. You'll soon find that Tor Bridge High is a place where you can be yourself and where friendships grow. Never be afraid to ask for help — your teachers, older students, and friends are all here to support you.

Finally, **ambition** is what drives us to achieve our goals and reach our full potential. At Tor Bridge High, we will challenge and inspire you to aim high, work hard, and discover what you are truly capable of. Whether your ambitions lie in academics, sports, the arts, or leadership, we will help you find your path and encourage you to shine.

We can't wait to welcome you through our doors this coming September. We'll be in touch with more information in the near future. In the meantime, enjoy the rest of Year 6, and know that a fantastic journey awaits you at Tor Bridge High. We look forward to meeting you soon!

Yours Sincerely,
