1.0 Policy Statement

1.1 We are an ambitious and inclusive Trust of schools, strengthening our communities through excellent education. We are committed to providing excellent education for every child, every day, and aim to strengthen and work with our communities to continue to improve accessibility in our schools.

2.0 Scope and purpose

2.1 This policy applies to all school leaders, staff, parents and pupils. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum,
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided,
- Improve the availability of accessible information to disabled pupils.

3.0 Definition

3.1 This policy applies to all school leaders, staff, parents, and pupils. For the purpose of this document:

- the Ted Wragg Multi Academy Trust is referred to as **The Trust of Schools**,
- references to ‘teachers’ include all paid staff responsible for the supervision of pupils,
- references to ‘pupils’ include all learners in our school,
- references to ‘school’ refers to all education settings, regardless of type and
- we refer to Section 576 of the Education Act which defines the ‘parent’ of a pupil or young person as:
 - both of their natural parents, whether they are married or not.
 - any person who, although they are not the natural parent, has parental responsibility for the pupil or young person, as defined in the Children Act (1989).
 - any person who, although not the natural parent, has the care of the pupil or young person i.e., a person with whom the pupil lives, irrespective of their relationship to the pupil.

3.2 Disability is defined by The Equality Act 2010 as:

“A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities”.

3.3 Under the Special Educational Needs and Disability (SEND) Code of Practice, ‘long-term’ is defined as ‘a year or more’ and ‘substantial’ is defined as ‘more than minor or trivial’. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

4.0 Legal framework

4.1 This Policy will be published on the Trust’s website and as a statutory policy will be included in the Trust’s Policy Monitoring Schedule.

4.2 This plan is drawn up in accordance with the planning duty in The Equality Act 2010. It also draws on the guidance set out in ‘The Equality Act 2010 and schools: departmental advice for school leaders,

school staff, governing bodies and local authorities’, issued by the DfE in May 2014. The Trust recognises its duty under The Equality Act 2010:

- not to discriminate against students with disabilities in their admissions and exclusions, and provision of education and associated services
- not to treat students with disabilities less favourably for a reason related to their disability
- to make reasonable adjustments to avoid putting students with disabilities at a substantial disadvantage
- to publish an accessibility plan that will increase access to education for students with disabilities

4.3 The admissions policies are consistent with compliance with The Equality Act 2010.

4.4 Schools are required to make ‘reasonable adjustments’ for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

5.0 Introduction

5.1 Tor Bridge High aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

We aim to develop a culture of inclusion and diversity in which people feel free to disclose they are disabled and to participate fully in school life. The achievement of disabled pupils will be monitored, and we will use this data to raise standards and ensure inclusive teaching. We will make reasonable adjustments to make sure that the school environment is as accessible as possible. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.
