

Tor Bridge High My Ed Introduction

Dear «Addressee»

We hope you and your family are keeping well. We are writing to introduce you to My Ed, a free parent app that gives you a multitude of communication and information features to stay in touch with what is going on at school.

We would normally launch My Ed with our Year 6 parents/carers at the end of June as part of the final stages of your child's transition to secondary school before the summer holidays. However, to ensure you are kept up to date with developments relating to your child's transition to year 7 at Tor Bridge High, we have decided to launch the My Ed app with you now so that you have easy access to key information and resources to support your child as they prepare for secondary school.

The free My Ed app is available for both Apple iOS and Android devices and can be found using the links below:

Step 1 - Go to your App Store

Step 2 - Search for My Ed

Step 3 - Download the Free app

[Apple iOS App](#)

[Google Android App](#)

Once you have installed and opened My Ed, search for Tor Bridge High (you can use the postcode in the search PL8 6UN) and follow the simple instructions to identify yourself.

As we send you information over the upcoming weeks related to «Forename»'s transition, you will receive a notification. Also, there is no charge for the messages you send to us via the app.

When «Forename»'s officially starts at Tor Bridge High, we will continue to use this Mobile App as an important form of communication and to share information with you, our parent community; we want you to feel as much a part of their education as possible. Once your child is an official student of the school, the My Ed app will give you direct access to your child's attendance, timetable, absence records, achievements, behaviour and more. What is more, we are able to send you messages directly to the My Ed app relating to important information about your child's education and to remind you of events that are taking place at school. You will also see that we update and change the information in the app as the school year moves along. Go to <http://www.myedschoolapp.com> to see a short video about the app.

We hope you enjoy using the app and find it a useful source of information.

Kind Regards

Tor Bridge High
